

mahurangi regatta

trailer boat launching 2018

This year, if you have a suitable vehicle, you may launch your own regatta-entered craft*. If you need the help of another vehicle to get your boat to the water, please ask one of the regatta crew—anyone wearing an orange Teak Construction t-shirt.

Launching period 9–11 AM

Retrieval period 3.30–4.30 PM

*Launching of trailered boats associated with the regatta, at Sullivans Bay, was a privilege extended to Mahurangi Action, then known as Friends of the Mahurangi, when it revived the Mahurangi Regatta in 1977. Because regional park staffing levels are becoming ever-leaner, this year, rather than rangers launching craft with the park tractor, we are permitted to self-launch. **Please do not take risks when launching—plenty of experienced help is readily available.**
